PEG Program Operations Menu:

- » Cutting to length
- » Perforating
- » Forming
- » Swaging
- » Staking

Program Details:

- » PEG Program hinges have no finish, are not degreased and are packed in bulk.
- » Parts requiring up to three operations will ship 5-7 working days after order receipt. Parts requiring 4 or more operations will ship 7-12 working days after receipt of order.
- » \$250.00 minimum order amount.
- » Orders \$1,000 or higher will require credit checks and references (new customers only). Shipment times will then be after credit approval. Credit card use will help avoid credit check delays.
- » Stocker will supply approval drawings within 1 working day after receipt of customer drawings or other forms of sufficient design details.
- » Customers are then responsible for approving Stocker drawings within the next working day.

We Accept:

PEG Program hinges are shipped F.O.B. Brookfield, IL, freight collect or prepaid and add per customer request. The PEG guarantee is based strictly on product being ready for shipment from our facility per the above program details and includes no claims as to transportation times or delays. Payment is due NET 30 days after date of shipment for non-credit card transactions. Go to <http://www.erwagner.com/documents/saleterms.htm> to view E. R. Wagner terms and conditions of sale.
